TÜV Rheinland has certified the Corporate Carbon Footprint of BITO-Lagertechnik Bittmann GmbH. We hereby confirm that the certificate holder has calculated and documented the reviewed CO₂-emissions according to the GHG Protocol: 2004 Standard. Underlying to this certificate are calculations from the Corporate Carbon Footprint. Specifications and system boundaries can be taken from the Corporate Carbon Footprint report. In addition to mandatory emissions from Scope 1 and 2, Scope 3 emissions were assessed as well. With these results BITO can find potentials and strategies in its climate strategy for future years.
